

## SYSTEM OPERATIONS

### *Private Car Notice 2-11*

**Subject:** Changes - Amtrak Manager of Private Car Standards

**Date:** September 14, 2011

**From:** Billie J. Ernest

Michael L. Burshtin, who has served for the past two years as the Amtrak Mechanical Department's Manager of Private Car Standards, has taken a new position within Amtrak as Program Director of Capital Acquisitions. His former duties with regard to scheduling, managing and performing Private Car Inspections will now be performed by Lee Trombecky, Senior Officer, Regulatory Compliance in the Mechanical Department's Standards and Compliance group.

Contact information will be as follows:

Ms. Billie Ernest, Senior Manager of Private Car Operations at the Amtrak CNOC operations center in Wilmington, DE along with Lee Trombecky will be the first and second primary contacts regarding management of private car inspectors and inspection scheduling, vehicle issues and compliance issues. Lee will also be the contact for referring unresolved vehicle engineering issues to Amtrak RSE (Rolling Stock Engineering) for clarification and decision making if needed. Lee's address is:

Lee Trombecky  
Senior Officer, Regulatory Compliance  
Amtrak - Standards and Compliance  
675 Broadway  
Rensselaer, NY 12144  
Tel 518 462-7826  
Cell 518 817-0265  
Fax 518 462-5762  
Email: [trombel@amtrak.com](mailto:trombel@amtrak.com)

As per the current policy, please continue to initially contact my office at the Amtrak CNOC operations center in Wilmington, DE at [ernestb@amtrak.com](mailto:ernestb@amtrak.com) or at 302-683-2297, for arranging your car movements and to schedule any car inspection services you may require, including the Annual PC-1 Inspection.

Please arrange to forward all car inspection forms (PC-1, PC-2, PC-2A, etc.) completed for your car to both Lee Trombecky and me.

Please join us in welcoming Lee to his new assignment.
