Dish Washer

Bill of Materials p121

One American Production Co. "Surgex" model DG-3, 1/3 HP motor, with:

- 1 Glassware basket
- 1 Silverware basket
- 1 Cup & bowl basket
- 2 dish baskets
- 1 basket rest

Ruler shows mounting holes at 0", 13/16", 5 1/4", and 6".

Open-top dishwasher – looked something like an outboard motor in a deep sink.
